

Bachelor of Science / Bachelor of Computer Science 2009

Course code: 3517

Student ID:	
Student name:	
Advised by:	Date:

This course map is a **guide only** and you must refer to the University Handbook for a complete outline of the course requirements.

STAGE 1 Semester 1	Science minor or major	MTH1020 / MTH1030	FIT1001	FIT1002
STAGE 1 Semester 2	Science minor or major	MTH1030* / MTH2010	MTH1112 / STA1010	FIT1008
STAGE 2 Semester 1	Science minor or major	MTH2010* or SCI2010	FIT2010	FIT2004
STAGE 2 Semester 2	Science minor or major	MTH2032	FIT2022	FIT2014
STAGE 3 Semester 1	Science major	Science elective or SCI2010*	FIT2001	FIT3086
STAGE 3 Semester 2	Science major	Computer science elective (Level 3)	FIT2008	FIT3085
STAGE 4 Semester 1	Science major	Science elective	FIT3077	FIT3014
STAGE 4 Semester 2	Science major	Science elective	FIT3036 or FIT3038	Computer science elective (Level 3)
Total unit points required: 192 points (32 units) Science units: 96 points (16 units)/ Computer Science units: 96 points (16 units)				

* If unit not already completed

Please note: The course requirements in this course map apply to students who are admitted to a course in 2009. Students whose first year of study in their course was prior to 2009 should refer to the handbook for their commencing year, or consult with student services staff in the Faculty of Science office, to determine the requirements that apply to their course.

2009 unit enrolment

Semester 1				
Semester 2
